Primary Logo

The main logo that represents the brand

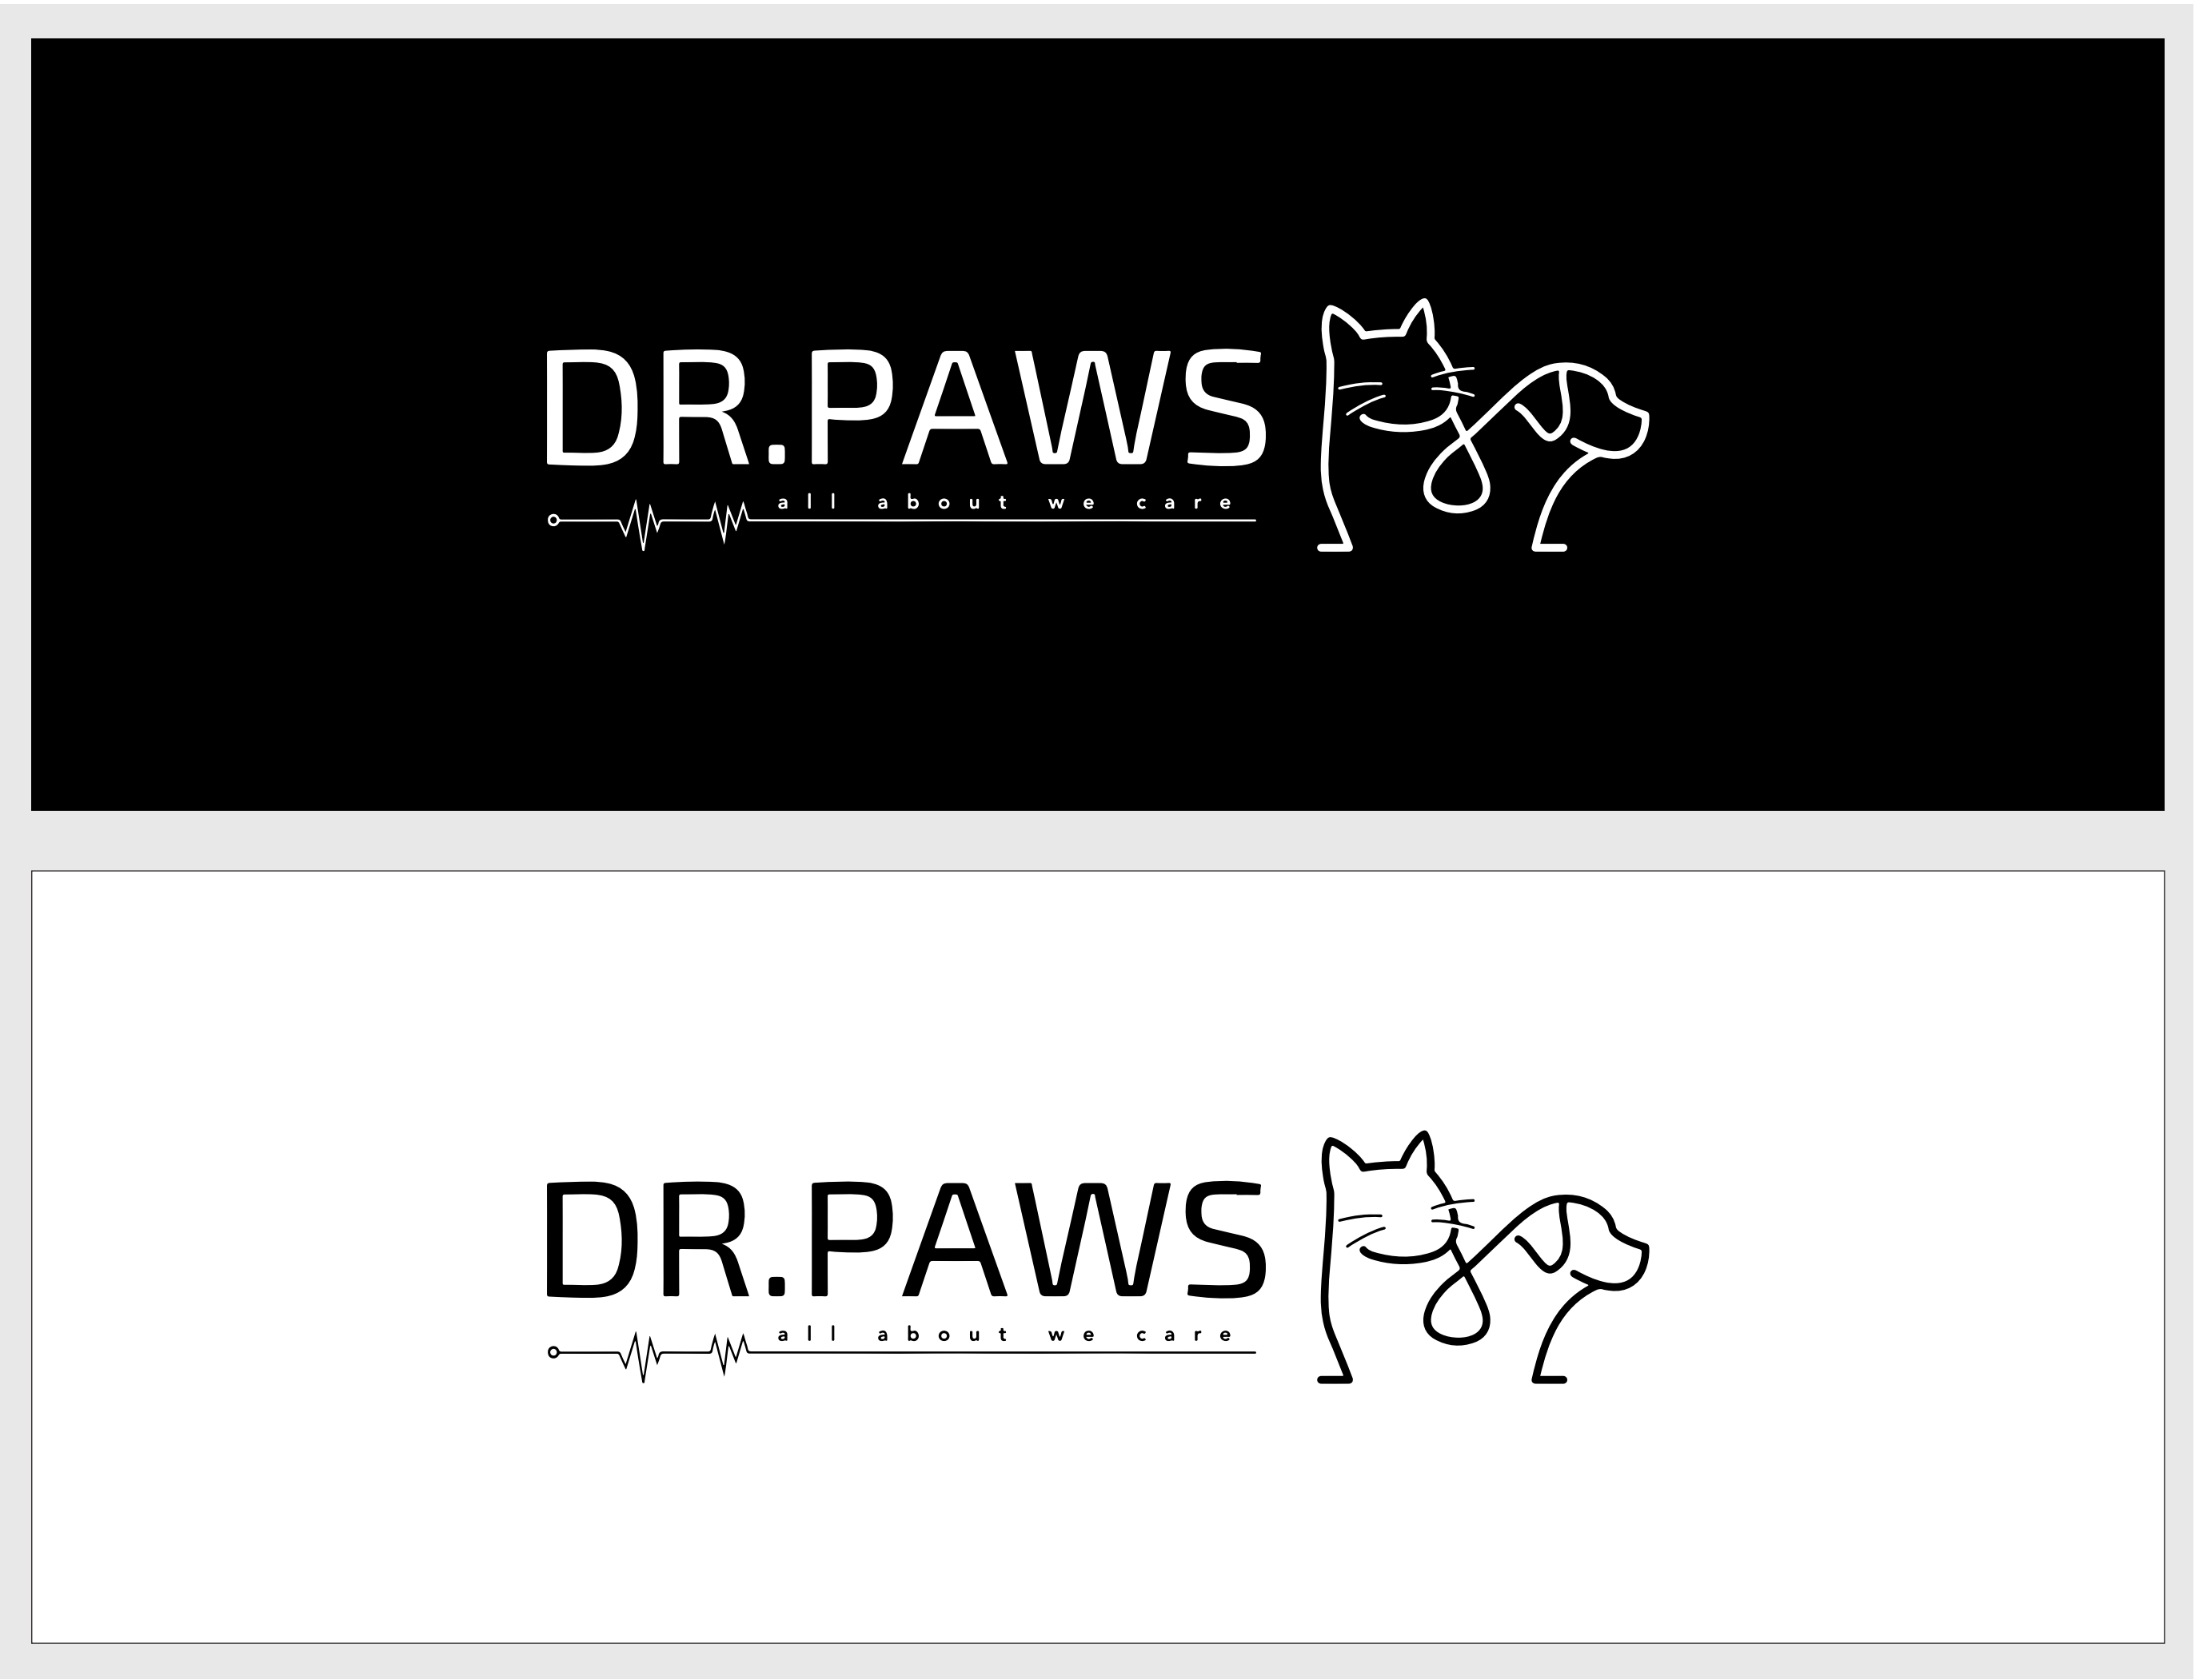

Color Versions

Ensure there is sufficient contrast between the logo and the background to maintain readability and visibility

Monochrome Versions

The monochrome version of our logo is an essential part of elite vetet's visual identity. It is designed for use in situations where color printing is not possible or practical, and it ensures our logo remains recognizable and impactful in any context.

App icons

Light Backgrounds: Use the primary logo or the black version of the logo

Dark Backgrounds: Use the white version of the logo.

Logo Usage 02

Exclusion Zone	2.1
Co-Branding	2.2

Exclusion Zone

Maintain a clear space around the logo equivalent to the height of the capital "T" in "Thumbnail". No other elements should encroach upon this area to ensure the logo stands out.

Logo Variation

Co-Brading

Side-by-Side Placement: This is a common approach where the logos are placed next to each other, either horizontally or vertically.
